Ganfeng Lithium Co., Ltd.

江西赣锋锂业股份有限公司

(A joint stock company incorporated in the People's Republic of China with limited liability)

(Stock Code: 1772)

As approved by the China Securities Regulatory Commission (Zheng Jian Xu Ke [2020] No. 1398), Ganfeng Lithium Co., Ltd (the “**赣锋锂业**”) publicly issued 21.08 million A share convertible corporate bonds (the “Convertible Bonds”) on August 6, 2020 with nominal value of RMB100 each and an aggregate amount of RMB2,108 million. The bond short name is “Ganfeng Convertible Bonds 2” and bond code is 128126. The term of the Convertible Bonds is 6 years and conversion period commenced from February 18, 2021, with initial conversion price at RMB61.65 per share.

On October 13, 2020, 40,037,000 H shares were newly issued by the Company, the conversion price was adjusted to RMB60.27 per share.

According to the Offering Memorandum in Relation to the Public Issuance of the A share Convertible Corporate Bonds of the Company (《江西赣锋锂业股份有限公司公开发行人A股可转换公司债券募集说明书》) (the “Bond Offering Memorandum”), during the conversion period of the Convertible Bonds, if the closing prices of the A shares of the Company in at least 15 trading days out of 30 consecutive trading days are equal to or higher than 130% of the prevailing conversion price, the Company shall have the right to redeem all or any part of the outstanding Convertible Bonds which have not been converted into shares, at a price equal to the nominal value of the Convertible Bonds plus the interest accrued.

Furthermore, if the aggregate nominal value of the outstanding Convertible Bonds that have not been converted into shares is lower than RMB30 million, the board of directors of the Company is entitled to redeem all outstanding Convertible Bonds which have not been converted into shares at a price equal to the nominal value of the outstanding Convertible Bonds plus the interest accrued.

Given that the closing price of the A shares of the Company from February 18, 2021 to March 31, 2021 is not less than 130% (i.e., RMB78.36 per share) of the prevailing conversion price of the Ganfeng Convertible Bonds 2 (RMB60.27 per share) for 15 trading days out of 30 consecutive trading days, according to the Bond Offering Memorandum, the redemption provisions of the Convertible Bonds have been triggered. By a resolution of the board of directors of the Company, it was resolved that the Company would exercise its right of early redemption of the Convertible Bonds to redeem all outstanding Ganfeng Convertible Bonds 2 which appear on the register of bonds on the redemption record date.

In accordance with the relevant provisions in the Measures for the Administration of Issuance of Securities by Listed Companies, the Rules Governing the Listing of Stocks on Shenzhen Stock Exchange and the Bond Offering Memorandum, the Company hereby announces certain matters relating to the redemption to the holders of the Ganfeng Convertible Bonds 2 as set out below.

The details of the terms relating to the conditional redemption provisions stated in the Bond Offering Memorandum are as follows:

During the conversion period of the Convertible Bonds, if the closing price of the A shares of the Company for at least 15 trading days out of 30 consecutive trading days is not less than 130% (including 130%) of the prevailing conversion price, the Company shall have the right to redeem all or any part of the outstanding Convertible Bonds which have not been converted into shares, at a price equal to the par value of the Convertible Bonds plus the accrued interest for the current period.

The formula for calculating the accrued interest for the current period is: $IA = B \times i \times t/365$

IA: means accrued interest for the current period;

B: means the total par value of the Convertible Bonds held by the holders of the Convertible Bonds;

i: means the interest rate of the Convertible Bonds on the current year;

t: means the actual number of calendar days calculated from the last interest payment date to the redemption date of the current year (inclusive of the first day but exclusive of the last day).

(...)

According to the conditional redemption provisions stated in the Bond Offering Memorandum, the redemption price is RMB100.23 per bond.

The formula for calculating the accrued interest for the current period is: $IA = B \times i \times t/365$

IA: means accrued interest for the current period;

B: means the total par value of the Convertible Bonds held by the holders of the Convertible Bonds: RMB100 per bond;

i: means the interest rate of the Convertible Bonds on the current year: 0.3%;

t: means the actual number of calendar days calculated from the last interest payment date (6 August 2020) to the redemption date of the current year (12 May 2021) (inclusive of the first day but exclusive of the last day).

The accrued interest for the current period $IA = B \times i \times t/365 = 100 \times 0.3\% \times 279/365 = \text{RMB}0.23$ per bond.

The redemption price for onshore individual investors and securities investments funds is RMB100.18 per bond after deduction of withholding income tax; Qualified foreign institutional investors (QFII) are temporarily exempt from corporate income tax and value-added tax according to regulations, the redemption price for qualified foreign institutional investors (QFII) is RMB100.23 per bond; the Company shall not deduct any withholding income tax for other investors not aforementioned and the actual redemption price for such investors is RMB100.23 per bond. The redemption price after tax deduction is subject to the price approved by CSDC Shenzhen Branch.
